ANNEXURE-I

Statement of Articles of charge framed against Sri K.Ramesh, the then AE (R&B), N.H. Section Jangaon (now retired):-

Article: I :-

That the said Sri K.Ramesh, the then Assistant Engineer (R&B), N.H. Section, Jangaon, has neglected the patch work between Km.65/0 to Km.139/0 of Hyderabad - Bhoopalapatnam Road (NH 202). Further, he refused to take Memo from Executive Engineer (R&B) N.H. Divn, Warangal, wherein instructions were issued for preparation of estimates for taking up patch work on the above road. This amounts to dereliction of duties and disobedience to his superior officers. Thus, he has violated Rule 3 (1) of APCS (Conduct) Rules 1964.

ANNEXURE-II

Statement of Imputations of Misconduct or Misbehaviour in support of articles of charge framed against Sri K.Ramesh, AEE (R&B) (Retd):-

Imputations:-

The Superintending Engineer (R&B), N.H. Circle, Hyderabad, in his Lr.No. Confidential /T4/SENH/Hyd, dt.13-5-2008 has reported that during his inspection on 7-5-2008, it was observed that the Patch work between Km. 65/0 to 139/0 was not repaired. The carriageway is not only looking ugly but also causing danger and inconvenience to the traffic using this stretch. Some patches were observed on N.H.202 during the Inspection on February 16th and 17th. It was instructed to get the Patches repaired immediately before "Sammakka -Sarakka Jathara" in view of VIP's Visits & large number of vehicles travelling for Jathara.

But, the Patch work in between Warangal and Hyderabad as seen now, was not attended. Also it appears that more Patches got developed due to rains in February & March, 2008 and the same are also not attended. It is clearly evident that the field staff in division had completely neglected this Patch work and failed in discharging their duties of maintaining the carriageway.

The Executive Engineer (R&B) has instructed over phone, to get the pot holes/ Patches measured on the next day and take immediate action and get the Patches/ Pot holes repaired within a week and report compliance.

Finally the Superintending Engineer (&B) NH Circle, Hyd., has stated that, when the matter stood thus, the Executive Engineer (R&B), N.H. Divn, Warangal had reported that the then Assistant Engineer (R&B), Jangaon is not behaving properly and even had refused to take the Memo in which instructions were issued for preparation of estimates for taking up Patch work.

After examining the matter, a show cause notice was issued to Sri K.Ramesh, the then Assistant Engineer (R&B) NH Section, Jangaon, vide ENC (R&B) Memo.No.1004/VC.3/2008-3, dt.22-05-2008. He has submitted his reply on 13-6-2008. The same is not convincing and it clearly shows that there was lapse on his part in attending patch work and submitting estimate pertaining to the above work.

Hence, the charge.
